

PROCESS MAP – B&L MANAGED FOSTER HOMES TRANSITION PROCESS

STEP ONE: Technical Team will determine your recommended Licensing Agency based on the following criteria:

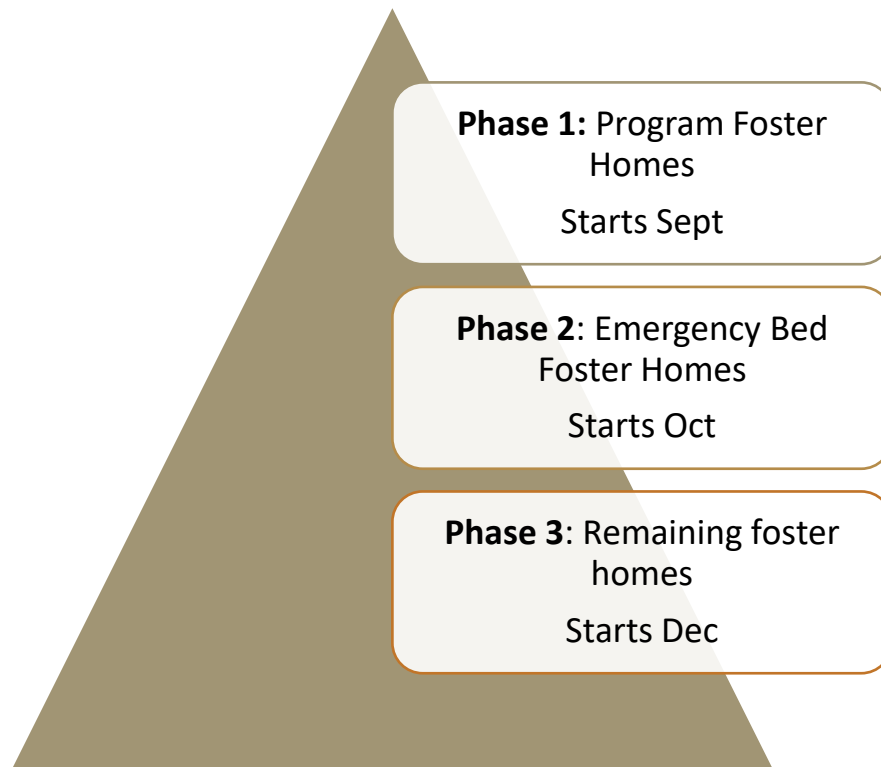

Number of children in the home

- Multiple children with Agency 1 vs one child with Agency 2 – Agency 1 is recommended licensing agency
- Longest days in placement – Agency 1 has child placed for 75 days, Agency 2 has child placed for 496 days, Agency 3 has child placed for 200 days. Agency 2 is recommended licensing agency

Type of Foster Home License

- Program or Emergency

Transition to Occur in Three Phases over 120 Days

- Phase 3 would include any homes that required additional time due to contract agreements, appeals, bed holds or other matters that require continued support from the technical team.
