### MENTORSHIP SESSIONS

Mentorship sessions are an important part of the Level 1 modules. They are used to reconsider material from the preceding three modules, to finish modules that were not completed due to discussions and interactions with the participants and to discuss aspects of parenting the children in your care in a less structured setting. The Mentorship hours are part of the 24 hours of training participants receive for Level 1. The hours are documented on the 'Confirmation of Completion' emails (when attending on Zoom) and on/in your Vitae card (when attending in person).
