KFFNM LEVEL 2 SKILL DEVELOPMENT

Level 2 Modules build upon areas of skill development introduced in Level 1.

Level 2 Modules provide suggestions for parenting steps or strategies mindful of the What, Why, When, Where and Who for parents and child.

Suggestions are provided for measuring the effectiveness of parenting steps or strategies used.

Developing Skills for clearly defining and communicating, to relevant resources, your parenting steps or strategies and their associated benefits strengthens your competence as a kinship or foster care provider.
